Summary of purpose and/or changes:

LB 518 does the following:

Section 1: Adds additional language regarding the pumping of water from water wells located within 50 feet of the bank of any natural stream. The new language would say that within 50 feet of the bank of a channel of any natural stream.

Section 2: Adds the same additional language in the permitting section of the statute.

Section 3: Repealer

Explanation of amendments, if any:

None

Senator Ed Schrock, Chairperson
